Greetings,

I wanted to reach out to you and thank you for the amazing theater and dressing areas you provided for the World Elite pageant contestants and queens on Saturday, February 25th. The atmosphere was exceptional, clean and safe and we were all treated with such care and respect. My husband has been a Mason for 25 years and it was very meaningful for him also.

It was a very special pageant weekend for all of us, and again thank you for your contribution and support in making it.....*a time to remember!!*

Sincerely,

Meg Nicholas
